Bring You Down (ft. George Maple)

Flume

Hush now, you're standing on a land mine
Tread lightly, get ready to explode
Hush now, those eyes cannot harm you
Keep your wits about, don't let it bring you downDon't let it bring you down x7
How can we disguise this awful truth?I've seen it all before
Your eyes are wet
Your head is on the floor
And it's only a matter of time
Before we hit the ground running, running...Don't let it bring you down x6
How can we disguise this awful truth?Hush now, you're standing on a land mine
Tread lightly, get ready to explode
Hush now, your eyes cannot harm you
Keep your wits about, don't let it bring you downAnd never let go
And I'm afraid of being too wrong
And I'm afraid of being too wrong in this side, ohDon't let it bring you down x6
How can we disguise this awful truth?
