

# Keen on Boys

## The Radio Dept.

Keen on boys Already dead  
So kill my head  
There's a sun in his eyes  
It won't go away  
I'm already dead  
Why is it I can't kill my....He would never sleep  
Said I didn't mind it at all  
Made me feel quite cheap  
Looking back on it all  
Then there was this kiss  
He said that he couldn't resist  
And was I aware of what I missed? That night I slept on his couch  
With my back turned to the wall  
Nothing assumed but you know?  
You know.....  
In the morning we said nothing at all  
All I could think of what this  
He said that he couldn't resist  
And was I aware of what I missed?
