

# There's a Reason

[Donna Beasley](#)

I have fallen to my knees  
I have landed on my feet  
I've shivered cold as death  
Chilly as winter breath  
And I've burned up like summer steam

There's a reason I feel out of control  
There's a reason I can't seem to take hold  
There's not much these days I'm sure of  
There's a reason they call it falling in love

I have followed my beliefs  
I have gone astray like sheep  
Oh, I have seen the light  
A beacon in the night  
And I've been blind as eyes could be

There's a reason I feel out of control  
There's a reason I can't seem to take hold  
There's not much these days I'm sure of  
There's a reason they call it falling in love

There's not much these days I'm sure of  
There's a reason they call it falling in love

There's a reason  
Oh, there's a reason  
There's a reason  
Oh, there's a reason
