

Silence

Owlle

Profound silence
On the sea
I wish I could find the same
HarmonyBetween waves I would disappear
Nothing here can comfort me
You are my sadnessLovely sirens surround me
Moving like this is a symphony
Nothing here can comfort me
Console meOh only here you fall in love with meIt's my Amazing dream (Ã¤tess)
so I'll go back to sleep x 2 (aille go)Oh Oh OhLove this silence
endlessly
I wish I could find the same
poetryIn sea motion I would disappear
Nothing here can comfort me
You are my favorite pain (favorate)It's my Amazing dream
so I'll go back to sleep x 2Oh Oh Oh
