

# Electric Relaxation

Daniel Drumz

Relax yourself girl please settle down. x4

Yeah okay honey check it out, you know i miss ya vibe. With your blonde hair and your thick ole thighs, now  
you can get it all with ya gorgeous face.

Hey! Welcome to New York enjoy your stay.

If i was working..yeah

Okay honey check it out, you know i miss ya vibe. With your blonde hair and your thick ole thighs, now you  
can get it...yeah.

Okay honey check it out, you know i miss ya vibe.

Yeah okay x4

Yeah okay honey check it out, you know i miss ya vibe with ya blonde hair and your thick ole.

Okay honey check it out you know i miss ya vibe. Okay okay okay okay okay

Yeah okay honey check it out, you know i miss ya vibe. With your blonde hair and your thick ole thighs, now  
you can get it all with your gorgeous face.

Hey welcome to New York enjoy your stay, if i was working at the bar you would not pay.

Hey hey hey welcome to New York

Hey welcome to New York x6

Hey welcome to New York enjoy your stay if i was working at the bar you would not pay.

Ayo my man young Diggy he got something to say

Uhh i like em brown yellow puerto rican & indian

Diggy Diggy Diggy he got something to say

Uhh i like em brown yellow puerto rican & indian

Diggy Diggy Diggy he got something to say

Uhhhhhh i like em brown yellow puerto rican & indian

On the way to work tryna make em a million

I hello kitty em vanilla interior'em

Now girl stop playin imma be serious

We stepping out now we touch the town

BBC tees on she love the style

Shawty acting up now, she gettin' loud

Relax yourself girl please settle down

Aoww you're now rockin' with the future

Lemme relax your mind imma suse ya

See the pace just change when i maneuver

I'll stimulate your brain call me strutra

From now on never leave your girl long,

Imma young boy but i put it down grown

The cover girls, rockstars, revlons if ya hair long imma get ya airborne

ahaha uhh uh hh yeah yeah
