

Godfather Of Slander

Destruction

Deceivers, liars without soul
Preachers, without a holy goal Deceivers, liars without soul
Preachers, without a holy goal
Traitors, lies build up their world
Betrayers, pangs of conscience never heard Money, can't buy a healthy life
Diseases, where do they come from? Money, can't buy a healthy life
They're breeding our death cheating on our wives
Diseases, where do they come from?
A dreadful sect full of sadistic greed[Bridge]
Looking for revelation
Poison minds have to die[Chorus: x2]
Godfather of slander
Why don't you fucking surrender
Godfather of slander
Holy Christian pretender Headless, obeying the hopeless stream
Comprehend, they are victimized by their gods Headless, obeying the masses
Comprehend, victimized by their gods
Let them rot![Bridge][Chorus: x3] Godfather
Godfather[Chorus]
