

Here Comes the Sun

Jane McDonald

Little darling
It's been a long cold lonely winter
Little darling,
It feels like years since it's been hereHere comes the sun
Here comes the sun
And I say it's all rightLittle darling, the smiles returning to the faces
Little darling, it seems like years since it's been hereHere comes the sun,
Here comes the sun
And I sayLittle darling
It's been a long cold lonely winter
Little darling,
It feels like years since it's been here
Here comes the sun
Here comes the sun
And I say it's all rightLittle darling, the smiles returning to the faces
Little darling, it seems like years since it's been hereHere comes the sun
Here comes the sun
And I say it's all rightSun, sun, sun, here it comes
Sun, sun, sun, here it comesLittle darling, I feel that ice is slowly melting
Little darling, it seems like years since it's been clearHere comes the sun
Here comes the sun
And I say it's all rightHere comes the sun
Here comes the sun
And I say it's all right
Here comes the sun
Here comes the sun
And I say it's all right
Here comes the sun
And I say it's all right
