

# Ex Nihilo

## Micah Bournes

The time has come, arise from death  
Victory is close at hand  
Take up the sword and follow me  
Out of nothing into a new creationA thousand decades of despair  
Will pass away in an instant  
You and I will be there  
[Incomprehensible]Fall on your knees  
Fall on your kneesThe time has come  
Arise from death to victory  
The time has come  
Victory is close at hand  
Take up the sword and follow meThe time has come  
Follow me, out of nothing  
Out of nothing into a new creation  
The time has come, the time has comeLet's goOut of nothing, a new creation  
Out of nothing into new life  
Out of nothing, a new creation  
Out of nothing into new life
