

Walk Away

[Joe Walsh](#)

Takin' my time choosin' my line
Tryin' to decide what to do
Looks like my stop I don't wanna get off
I got myself hung up on you Seems to me you don't want to talk about it
Seemed to me you just turn your pretty head and walk away Places I've known things that I'm growin' and
Don't taste the same without you
Got myself in worst mess I've been
And I find myself startin' to doubt you Comes a day talk all night here comes the morning
Come one night you just holdin' what we said and greet the day I've got to cool myself down from stompin'
around
Thinkin' some words 'cause I can't name ya
Guess it's okay got nothing to say
Still I don't suppose I can blame ya Seems to me you don't wanna talk about it
Seemed to me you just turn your pretty head and walk away Yeah walk away, walk away, walk away
