

# Look At Your Hands

George Michael

I loved you once  
But look at you now  
You're in somebody else's bed  
I loved you once  
So I don't know how  
You're with a man like that  
You'd be better off dead  
He don't care  
He don't treat you right  
It's not fair  
I still want you at night  
Can't you see you made a mistake, girl  
He treats you like dirt and I hate it Na na na na na lady look at your hands  
You got two fat children and a drunken man  
Betcha don't, betcha don't, betcha don't like your life  
Betcha don't, betcha don't, betcha don't like it  
Ma ma ma ma baby look at your hands  
You should have been my woman when you had the chance  
Betcha don't, betcha don't, betcha don't like your life  
Betcha don't, betcha don't, betcha don't like your life now He hits you once  
He hits you twice  
He don't care about the blood on his hands  
But that's okay  
'Cause it's his wife  
"It's the only thing she understands," he says Say you're gonna leave him  
Say you're gonna try  
But you're only talking (you're only talking)  
Oh I know you think I'm a young boy  
But I'm good and I think we can make it Na na na na na lady look at your hands  
You got two fat children and a drunken man  
Betcha don't, betcha don't, betcha don't like your life  
Betcha don't, betcha don't, betcha don't like it  
Ma ma ma ma baby look at your hands  
You should have been my woman when you had the chance  
Betcha don't, betcha don't, betcha don't like your life  
Betcha don't, betcha don't, betcha don't like your life now (Don't like your guy now) Well excuse me baby but  
it's making me mad  
The only one you want is the only one you'll never have  
It's so sad

The only one you'll never have  
It's too bad  
Only one you'll never haveNa na na na na lady look at your hands  
You've got two fat children and a drunken man  
And I bet you don't like your life now
