

Girlfriend (remix)

B2k

[Omarion talking:]

I've got everything I want in my life except a
girlfreind

Just copped a Bently and it's parked in my garage
A two o'clock appointment for my massage
And everywhere we go they know just who we are
There they go it's them ghetto superstars
The latest throw backs and the ones on my feet
Get off the Benz and them I'm off up in the Jeep
Take ya fix with chicks that look like Licia Keys
All of that I'm still missin' one thing

[Chorus:]

A Girlfriend, Girlfriend
I need a girlfriend, girlfriend
A girlfriend, girlfriend
Would you be my girlfriend, Girlfriend

We hit the mall buyin' up all the Nike suits
I'm being pampered while I'm chillin by the pool
From the show to the limo to the club
Hands in the air showin' nothin' but some love
Got plenty clothes, plenty ice plenty cash
A pretty swope plenty abs plenty shhh
I got every single thing that I need
Except for a main squeeze

[Chorus:]

A Girlfriend, Girlfriend
I need a girlfriend, girlfriend
A girlfriend, girlfriend
Would you be my girlfriend, Girlfriend

[Hook:]

Alright Alright
We got B2K up in this peice
(Tell me who's gonna be my girlfriend)
And we need all the ladies out there lookin' for a
nice fella to get up out yo seat c'mon!

(And who I bet needs a real man)
Put yall hand up Put yall hands up
(And who's gonna ride or die with me)
Yeah who's gonna be that ride or die chick for me
tonight
(Who's gonna give B2K what they need)

[Fizz's Rap:]

I need a thick with big hips that's just my
motivation
No more game preperation, This is pimperation
She must be ready and steady for a romance session
I'm talkin' willin' to learn, A Lil Fizz lesson
Now she playin' at it again and now we arguin'
Talkin' girls talk mess and tellin' all her friends
When I seen this new chick tonight
and Imma make her my girlfriend,my girlfriend

I need a girlfriend

[Chorus x2]

A Girlfriend, Girlfriend
I need a girlfriend, girlfriend
A girlfriend, girlfriend
Would you be my girlfriend, Girlfriend
