

Kung Fu

Cannons and Clouds

Please help me find sorrow.

In you, my only

glow.

Swallow all my fears.

My heart and soul and tears with you.

Oh,

oh, oh. Walk alone.

Free my way from dark dreams.

I can see all praises in, all glories in, all blunts in the wise. Oh, oh, oh. Oh, oh,

oh. Oh,

oh,

oh.

Oh, oh,

oh.
