Take My Life

ALM: UK

This is my devotion
This is all I know
This is all I have to bringA life laid down in worship
To honor You my King
I live to glorify Your NameNow my past is swept away
By the sacrifice You've made
I am Yours set my heart on fire for YouTake my life take it all I surrender heart and soul
From now on I live for You
Take my life take it all I surrender heart and soul
From now on I live for You only YouIn every joy and heartbreak
In trial and temptation
Be the centre of my heart
