

# Opened Up My Eyes

**Jason Crabb**

In this life, I will be pressed on every side  
I will be broken, I'll be bruised  
But not denied  
For my life, You felt the pain of every step  
My crown of thorns upon Your head  
I won't forget  
You've opened up my eyes to see  
You are good  
You're always good to me  
You are true  
You never give up on me  
You are strong  
The tower of strength I need  
You've opened up my eyes to see  
In this life, I will be weary, I'll be worn  
There will be days that I'm not sure  
Who I'm living for  
For my life, You gave it all on Calvary  
It was Your blood poured out for me  
How can this be  
You've opened up my eyes to see  
You are good  
You're always good to me  
You are true  
You never give up on me  
You are strong  
The tower of strength I need  
You've opened up my eyes to see  
I can't imagine life without You  
I can't imagine life without You  
I can't imagine life without You  
You've opened up my eyes to see  
You are good  
You're always good to me  
You are true  
You never give up on me  
You are strong  
The tower of strength I need  
You've opened up my eyes to see (repeat)
