On My Mind (feat. Pusha T)

Moxie Raia

[Verse 1: Moxie Raia]
On my mind, on my mind
You keep playing on my mind
fuck I gotta push rewind
On my mind, on my mind
On my mind, on my mind
All I see, every sign, in between, over line
All the channels all the time
On my mind, on my mind
On my mind[Pre-Chorus: Moxie Raia]
Lost this fight, all day and night
I'm swimming in the deep
Just need you next to me
This five trends been here since '10
I'm caught up in the blue
Now you're mad about it too, ooh ooh[Chorus: Moxie Raia]
Cause all the time
God knows I've tried
But I do not want you
No I don't want you off my mind
Every night
Yes, it's more than fine
Cause I do not want you?
No, I don't want you off my mind[Verse 2: Moxie Raia]
On the grind, calculated
What you say about my mind?
On my mind, on my mind
Got me thinkin' on my mind
On my mind, on my mind
I'm in love, want your vibe
Laundry out on the line
Sitting here hiding dry
On my mind
On my mind[Pre-Chorus: Moxie Raia]
Lost this fight, all day and night
I'm swimming in the deep
Just need you next to me
This five trends been here since '10
I'm caught up in the blue

And now you mad about it too? Ooh ooh[Chorus: Moxie Raia]
Cause all the time
God knows I've tried
But I do not want you?
No, I don't want you off my mind
And every night
Yes, it's more than fine
Cause I do not want you?
No, I don't want you off my mind
I don't mind
I do not want you?
No, I don't want you off my mind
No, I don't want you off my mind[Verse 3: Pusha T]
Mans in your search box
Wonder will the hurt stop?
Washed up, older cousins always make the worst cops
Work phone's in my call log
Every hour on the hour 'til she logs off
See my fashion, found another passion
Another way of cashin'
G.O.O.D. Music captain, who's askin'?
New goals, contracts with loop holes
The president can still move Os
On your mind, maybe?
They say if then love is real, then it's blind, baby
Stevie Wonder through this thing, it's you and I, lately
That means twin Mercedes
Two doors for me and my lady, drive her crazy[Chorus: Moxie Raia]
It's all the time
God knows I've tried
But I do not want you?
No, I don't want you off my mind
Every night
Yes, it's more than fine
Cause I do not want you?
No, I don't want you off my mind
All the time
God knows I've tried
But I do not want you?
No, I don't want you off my mind
Every night
Yes, it's more than fine
Cause I do not want you?
No, I don't want you off my mind[Outro: Moxie Raia]
All the time

It's more than fine
I do not want you?
No, I don't want you off my mind
No, I don't want you off my mind, yeah
