

Starlight

Kate Voegele

Far away
This ship is taking me far away
Far away from the memories
Of the people who care if I live or die
Starlight
I will be chasing the starlight
Until the end of my life
I don't know if it's worth it anymore
Hold you in my arms
I just wanted to hold
You in my arms
My life
You electrify my life
Let's conspire to ignite
All the souls that would die just to feel alive
But I'll never let you go
If you promised not to fade away
Never fade away
Our hopes and expectations
Black holes and revelations

Our hopes and expectations
Black holes and revelations
Hold you in my arms
I just wanted to hold
You in my arms
Far away
This ship is taking me far away
Far away from the memories
Of the people who care if I live or die
And I'll never let you go
If you promise not to fade away
Never fade away
Our hopes and expectations
Black holes and revelations
Our hopes and expectations
Black holes and revelations
Hold you in my arms
I just wanted to hold

You in my arms
I just wanted to hold
