Catfish Soup

Attack! Attack!

Again and again sing this that we live
It's all we have to go off of
This is a nightmare come to life
This is something you'll regret at timesWhen you see there's an end tonight
Just think about this now as we come to an end
The decisions you have made
Will come back to haunt youAnd as the story ends and you look to the sky
This couldn't have happened by chance
And here's your escape as He calls out your name
You fall to your knees and answer His callBut here's your escape
He calls out your name, you fall to your knees
And answer His call
Lord, I will be anything for YouHallelujah, Hallelujah, saved by Grace
Hallelujah, Hallelujah, saved by GraceHallelujah, I've been saved by Grace
Hallelujah, saved by Grace
And this is why
I've been saved by His graceJust think about this now, as we come to an end
The decisions you have made
Will come back to haunt you
And as the story ends and you look to the sky
This couldn't have happened by chance
