

# Underpass

## Norabelle

Standing in the dark  
Watching you glow  
Lifting a receiver  
Nobody I know

Underpass  
Underpass

Well I used to remember  
Now it's all gone...  
World War something...  
We were somebody's sons

Underpass  
Underpass

Over all the bridges  
Echoes in rows  
Talking at the same time  
Click-click drone...

Underpass  
Underpass

Misty on the glass now  
Rusty on the door  
Here for years now

Click-click drone  
Click-click drone  
Click-click drone  
Click-click drone  
Click-click...

Underpass  
Underpass  
Underpass  
Underpass

Underpass

Underpass

Underpass

Underpass
