

# Trick

## Alex G

This is not a direct derogatory towards women  
This is only the meaning of what a trick is  
Woah  
(Trick)  
Woah, woah, woah, woah  
At the end of the night she think it ain't fun  
If the homies can't have none  
(Trick)  
Woah, woah, woah, woah  
(Trick)  
If you got a tight back  
Woah, woah, woah, woah  
She's in it for the night  
(Trick)  
I ain't, ain't the one  
Back up girl you need to chill  
You need to slow it down  
You move too fast for me, yeah  
I'm letting you know the deal  
And every time you come around  
You're trying to be down  
But you keep getting clowned  
Girl you need to quit  
'Cause don't nobody love a trick  
See a trick will give you some  
At the end of the night she think it ain't fun  
If the homies can't have none  
Wanna get your thing on, it won't take long  
'Cause a trick will give it up  
If you got a tight back  
She's in it for the night  
For me she ain't the one  
'Cause I need a real love  
And not just a hit and run  
Everybody gets to hit  
It don't take much cause you're a freak  
If you think he's a playa balling  
You'll be on the phone calling  
(Trick)

Trying to get a late night creep  
And every time you come around  
    You're trying to be down  
    But you keep getting clowned  
    Girl you need to quit  
'Cause don't nobody love a trick  
    See a trick will give you some  
At the end of the night she think it ain't fun  
    If the homies can't have none  
Wanna get your thing on, it won't take long  
    'Cause a trick will give it up  
    If you got a tight back  
    She's in it for the night  
    For me she ain't the one  
    'Cause I need a real love  
    And not just a hit and run  
    For all the girls with no class  
We don't want it, we don't want it  
    For all the girls that move too fast  
    We don't need it, we don't need it  
See what I need is a girl who's got my back  
Now jumping in the back of every Jeep or Cadillac  
    A girl that don't give it up on the first date  
    Can you relate?

Woah, woah, woah, woah, see a trick gets her some  
    At the end of the night she think it ain't fun  
    Wanna get your thing on, it won't take long  
    Woah, woah, woah, woah  
This is not a direct derogatory towards women

    I need a real love and not just a hit and run

At the end of the night she think  
    It ain't fun if whoa, whoa, yeah  
    Wanna get your thing on  
    It won't take long

'Cause a trick will give it up  
See I need a girl who's right for me  
Someone that will love me endlessly, yeah  
I need a real love and not just a hit and run  
At the end of the night she think  
It ain't fun if woah, woah, yeah  
Wanna get your thing on it won't take long  
'Cause a trick will give it up  
See I need a girl who's right for me  
For me she ain't the one  
See a trick will give you some  
Woah, woah, woah, woah
