Yeah

Oh, yeah yeah yeah yeah Don't want your heart, don't want your love

I want the head, I want the tongue

Who put the pussy in the coffin?

Then make it rise to god above

You would be down on all occasions

I fucked you since, about your bank?

Don't call me common, call me Crazy

No need to thank me, yours for the taking And yeah, would you know, would you know it

Good love in the morning?

Only one way to show it

Turn around, let me go in Let your hair down (Just like this)

Poke your back out (Just like this)

Talk dirty to me (Just like this)

Everything you do, oh when you do it (Just like this)

Say my name love (Just like this)

Now pick your legs up (Just like this)

Everything you do, oh when you do it And I'm the favourite

Keep on your heels, take off your leggings

Who turned you on, and crawling, begging?

Who told your mum you'd have my babies?

I won't be long, I won't be brief

You at your peak is all I need

Something to hold you for the long run

Come get this awesome, won't you take it off for me And yeah, would you know, would you know it

Good love in the morning?

Only one way to show it

Turn around, let me go in Say

Eye contact (Just like this)

Bring your arms back (Just like this)

Take the whole thing (Just like this)

Everything you do, oh when you do it (Just like this)

Say my name love (Just like this)

Now pick your legs up (Just like this)

Everything you do, oh when you do it
