Push!

Glenn Hughes

Make you wanna do itWell, I could be wrong
And I could be right
But my mind's made up
Now I see the lightI have walked the streets
'Til the break of day
Won't you come to me
Won't you look my way?Sing ah, ya, ya
Sing ah, ya, yaNow the way you talk
Put me in a trance
Got me all fired up
Make me jump the fenceI have seen the future
I have seen the past
Gotta keep on movin'
I was built to lastI will be your brother
Father, mother too
I will be the one
I'm gonna put a spell on youMake you wanna push
Don't you wanna do it?
Make you wanna push
Don't you wanna do it?Make you wanna push
Don't you wanna do it?
Make you wanna push
Don't you wanna do it?Sing ah, ya, ya
Sing ah, ya, ya
Sing ah, ya, ya
Sing ah, ya, yaSince I've been away
And you'll surely find
I'm gonna make you love me
In a seconds timeI will pick you up
I will turn you around
Baby, here I come
I'm gonna shake the groundI have been a sinner
So take me by the hand
I will be elected
In a distant landI will be your brother
Father, mother too
I will be the one
I'm gonna put a spell on youMake you wanna push
Don't you wanna do it?

Make you wanna push
Don't you wanna do it?Make you wanna push
Don't you wanna do it?
Make you wanna push
Don't you wanna do it?Sing ah, ya, ya
Sing ah, ya, yaI've called you
Pick up the phoneI have been a sinner
So take me by the hand
I will be elected
In a distant landI will be your brother
Father, mother too
I will be the one
I'm gonna put a spell on youMake you wanna push
Don't you wanna do it?
Make you wanna push
Don't you wanna do it?Make you wanna push
Don't you wanna do it?
Make you wanna push
Don't you wanna do it?Sing ah, ya, ya
Sing ah, ya, ya
Sing ah, ya, ya
Sing ah, ya, yaMake you wanna push
Don't you wanna do it?
Make you wanna push
Don't you wanna do it?Make you wanna push
Don't you wanna do it?
Make you wanna push
Don't you wanna do it?
