

# Dust Cloud (Justin K. Broadrick Remix)

## Bear In Heaven

I want to kiss your mouth again  
and fill up everything I can  
I want to blow you up and let you out  
Ill show you how  
I want, I need, I want, I need, II want to kiss your mouth again  
and hold on as long as I can  
I need to build you up and break you down  
a big dust cloud  
your loud loud pow  
our tiny mound  
standing so proud  
deep deep deep down  
narcosis town  
sleep sleep sleep  
I want, I need, I want, I need, II want to kiss your mouth again  
I want to take up all you have  
I need to fill you up and pour you out  
youre all I want  
youre all I need  
I want, I need, I want, I need, Ifollow rainbows follow rainbows  
bellow big blows bellow big blows
