

Yeah, I'm Over It

The Phoenix Within

Yeah, Iâ€™m Over It

By: Omar Feliciano

Verse 1:

Letâ€™s set the fucking record straight

Suspicious kill & anger me

A thoughtless act a thousand times

What the hell is wrong with me?

Pre-chorus:

Tell the truth, I know you hate the sound of it

Thereâ€™s no use, I feel alone when Iâ€™m with you.

Chorus:

There was a time

I was willing to die for you

But Iâ€™m over it Iâ€™m over it.

Verse 2:

Like a speck of dust before the wind

Iâ€™m a pitiful affectionate

You a problem child a tragedy

A mother fucking rivalry

Pre-chorus:

Tell the truth, I know you hate the sound of it

Thereâ€™s no use, I feel alone when Iâ€™m with you.

Bridge:

Well if this is the end, then lets let it end.

All you ever was bury me, never did you try to comfort me

All you ever did was lie to me, but Iâ€™m over it, Iâ€™m over it.
