

# Finger On the Trigger

## Bleu

I go down fighting, thunder, lightning  
As the final curtain falls  
Although enlightening, the conclusion's frightening  
You have me by the balls  
No escape, no hand of fate  
As the end comes into view  
Oblivion calling, no sense stalling  
And now I know it's all because of you  
You got your finger on the trigger  
You got your hand upon the gun  
You know this thing is getting bigger  
We got a good thing going on  
The bullet bitten, my tombstone's written  
Now you're changing every line  
Your aim is true through cold steel blue  
And you're waiting for the sign  
Don't think twice, cold as ice  
Forced to face your fear  
Each tortured minute, no future in it  
And now I know it's all because of you  
You got your finger on the trigger  
You got your hand upon the gun  
You know this thing is getting bigger  
We had a good thing going on  
You got your finger on the trigger  
You got your hand upon the gun  
You know this thing is getting bigger  
We got a good thing going on  
Just where you been, girl, black as sin, girl  
With your smoking 45  
Take it further, scream blue murder  
And to hell with keep it live  
No regrets, last cigarettes  
Or promise to be true  
One last kiss, remember this  
And now I know it's all because of you  
You got your finger on the trigger  
You got your hand upon the gun  
You know this thing is getting bigger

We had a good thing going on  
You got your finger on the trigger  
You got your hand upon the gun  
You know this thing is getting bigger  
We had a good thing going on  
You got your finger on the trigger  
You know this thing is getting bigger  
You got your finger on the trigger  
You know this thing is getting bigger
