MY FAVORITE GIRL

Nile Lata (FBE)

My favorite girl, oh
She's my favorite girl
Don't you know
My favorite girl, oh
She's my favorite girl
You walked into my life
Your love was so new
And nothing will ever change
My feelings for you
Well, you were so far away
Now I am close to you, girl
So let us run away
Our heart that's waiting will stay
My favorite girl, oh
She's my favorite girl
Don't you know
My favorite girl, oh
She's my favorite girl
There's so much I like in you
I can't go on
I wanted a girl like you
I've looked so long
Girl, nothing will make us wrong
I know our love is too strong
Let's leave the rest behind
Our dreams ask what we will find
My favorite girl, oh
She's my favorite girl
Don't you know
My favorite girl, oh
She's my favorite girl
My favorite girl, oh
She's my favorite girl
Don't you know
My favorite girl, oh
She's my favorite girl
She's my favorite girl
The one I'm always thinking of
That the one

My favorite girl
The one I love
It's too strong
My favorite girl, oh
She's my favorite girl
Don't you know
My favorite girl, oh
She's my favorite girl
My favorite girl
She's my favorite girl
You look so sweet
You make my heart skip a beat
Yeah yeah yeah
She's my favorite girl
She's my favorite
Hey girl don't you know
You're the one I need
And girl I need, I need
I need, I need your love
My favorite girl, oh
She's my favorite girl
Don't you know
My favorite girl, oh
She's my favorite girl
My favorite girl, oh
She's my favorite girl
Don't you know
My favorite girl, oh
She's my favorite girl
