

# MY FAVORITE GIRL

## Nile Lata (FBE)

My favorite girl, oh  
She's my favorite girl  
Don't you know  
My favorite girl, oh  
She's my favorite girl  
You walked into my life  
Your love was so new  
And nothing will ever change  
My feelings for you  
Well, you were so far away  
Now I am close to you, girl  
So let us run away  
Our heart that's waiting will stay  
My favorite girl, oh  
She's my favorite girl  
Don't you know  
My favorite girl, oh  
She's my favorite girl  
There's so much I like in you  
I can't go on  
I wanted a girl like you  
I've looked so long  
Girl, nothing will make us wrong  
I know our love is too strong  
Let's leave the rest behind  
Our dreams ask what we will find  
My favorite girl, oh  
She's my favorite girl  
Don't you know  
My favorite girl, oh  
She's my favorite girl  
My favorite girl, oh  
She's my favorite girl  
Don't you know  
My favorite girl, oh  
She's my favorite girl  
She's my favorite girl  
The one I'm always thinking of  
That the one

My favorite girl  
The one I love  
It's too strong  
My favorite girl, oh  
She's my favorite girl  
Don't you know  
My favorite girl, oh  
She's my favorite girl  
My favorite girl  
She's my favorite girl  
You look so sweet  
You make my heart skip a beat  
Yeah yeah yeah  
She's my favorite girl  
She's my favorite  
Hey girl don't you know  
You're the one I need  
And girl I need, I need  
I need, I need your love  
My favorite girl, oh  
She's my favorite girl  
Don't you know  
My favorite girl, oh  
She's my favorite girl  
My favorite girl, oh  
She's my favorite girl  
Don't you know  
My favorite girl, oh  
She's my favorite girl
