# Never Surrender (ost Devil May Cry 5)

## Combichrist

Self medicating, craving punishment
Blaming myself for a world on fire
No more shame, no more pity
No more
We rise from the ashesI will suffer
I will burn
Let the hate prevail
Enslave my soul
But I'll never surrenderSilent words from a bleeding mouth
Swallows pride with a swollen tongue
Everything is nothing, life in a shallow grave
Too ashamed to feel joy life collecting dust
No more shame, no more pity
No more
We rise from the ashesI will suffer
I will burn
Let hate prevail
Enslave my soul
but I'll never surrenderI will suffer
I will burn
Let hate prevail
Enslave my soul
but I'll never surrenderMental cancer hijacks your brain
Denying the reality you created for yourself
We rise from the ashesI will suffer
I will burn
Let hate prevail
Enslave my soul
but I'll never surrenderI will suffer
I will burn
Let hate prevail
Enslave my soul
but I'll never surrenderNever surrender
Never surrender
Never surrender
Never surrender
Never surrender
Never surrender

Never surrender
