

# Loco

## Chicanos

Pull

Steamroller rollin' through my head said  
Attached to loco power up coal  
Through the system out to the right said  
You're in my light  
Lock down the generator, on man screw  
Don't use the system, use the main plan  
Full power up to the point man  
Don't fuck with me  
Me loco, me loco  
Me loco, me loco  
Me loco, me loco  
Me loco, me loco

Pull

Steamroller rollin' through my head said  
Attached to loco power up coal  
Through the system out to the right said  
You're in my light  
Lock down the generator, on man screw  
Don't use the system, use the main plan  
Full power up to the point man  
Don't fuck with me  
Me loco, me loco  
Me loco, me loco  
Me loco, me loco  
Me loco, me loco

[Incomprehensible]Steamroller rollin' through my head said  
Attached to loco power up coal  
Through the system out to the right said  
You're in my light  
Lock down the generator, on man screw  
Don't use the system, use the main plan  
Full power up to the point man  
Don't fuck with me  
Me loco, me loco  
Me loco, me loco  
Me loco, me loco  
Me loco, me loco
