

Keep On Believing

Iggy Pop

I woke up in the quiet dark
Fed the cat and hit the park
Cutest chicest chocolate queen
Look and smiled right at me
Keep on believing, keep on believing
Keep on believing, keep on believing She said "hi" without no sound
Made my head go alright and 'round
She was dressed to kill the pope
And what she did she gave me hope
I smiled back without no sound
I said "hi" and left the ground
Keep on believing, keep on believing, keep on believing Life won't leave me alone
Trouble won't leave me alone
Strength don't leave me alone
Truth don't leave me alone She looked so bright in pixie hair
She made me know how much I cared
Her brown eyes gave me butterflies
Sure towed my soul up to the sky
Keep on believing, keep on believing
Keep on believing, keep on believing
