Hired Gun

Bad Brains

Hired gun Hired gun for sale Hired gun, on the run He won't failRequesting quick, they asked the people Where's the hired gunman's trail? He turned into a dark, cold corner His is the face that is so paleHired gun He's on the run He has no fun, noPlease sit down, services rendered Now we must decide the pay Bargains to bribes, broken agreement So much more had but to pray Next a scam to execute, but a bit too cute So if you're looking for adventure Go check the hired gun for saleHired gun He's on the run Better watch out, boy 'cause he don't know funHired gun for sale
