

Many Are Called

[Judy Mowatt](#)

Many are called, but few are chosen
You've got to be aware of the wolf in sheep clothing Many say that they are our brothers
There ain't much to fight
Many say that they are our sisters
There ain't much to fight Many are come sayin' brother love, love, love
Many are come sayin' sister hail, hail, hail
Many come sayin' a peace and unity
But there ain't no peace to find
'Cause many are called, but few are chosen
You've got to be aware of the wolf in sheep clothing
Many are called, but few are chosen
You've got to be aware of the wolf in sheep clothing (.) Many are deceivers
Who profess that they are true believers
Many preach Lord, Lord, many teach
But it's just way out of reach Many come sayin' brother love, love, love
Many come sayin' sister hail, hail, hail
Many come sayin' a peace and unity
But there ain't no peace to find
'Cause many are called, but few are chosen
You've got to be aware of the wolf in sheep clothing
Many are called, but few are chosen
You've got to be aware of the wolf in sheep clothing Many are called, but few are chosen.
