

A Woman in Love

Marlon Brando

Your eyes are the eyes of a woman in love
And oh how they give you away
Why try to deny you're a woman in love
When I know very well, what I say
I say no moon in the sky ever lent such a glow
Some flame deep within made them shine
Those eyes are the eyes, of a woman in love
And may they gaze ever more into mine
Tenderly gaze evermore into mine
And what about you
It's got you to

Your eyes are the eyes of man whose in love
That same flame deep within made them shine
Your eyes are the eyes of a man whose in love (woman in love)
And may they gaze evermore into mine
Tenderly gaze ever more into mine
