

# Obvious Bicycle

## Vampire Weekend

[Verse 1]

Morningâ€™s come, you've watched the red sun rise  
The LED still flickers in your eyes  
Oh you ought to spare your face the razor  
Because no oneâ€™s gonna spare their time for you  
No oneâ€™s gonna watch you as you go  
From a house you didnâ€™t build and canâ€™t control  
Oh you ought to spare your face the razor  
Because no oneâ€™s gonna spare their time for you  
You ought to spare the world your labor  
Itâ€™s been twenty years and no oneâ€™s told the truth

[Hook x2]

So listen, oh  
So listen, oh  
Donâ€™t wait  
Donâ€™t wait

[Verse 2]

So keep that list of who to thank in mind  
And donâ€™t forget the rich ones who were kind  
Oh you ought to spare your face the razor  
Because no oneâ€™s gonna spare their time for you  
Why donâ€™t you spare their world a traitor  
Take your wager back and leave before you lose

[Hook]

[Bridge]

So while the sunâ€™s coming out  
Cover ground, cover ground  
And if you find some love for these clowns  
Turn around, turn around  
Iâ€™ll be half asleep on the floor of a high school gym  
Thinking of you and wondering if anyone else could begin

[Pre-Hook]

To listen  
Listen  
Donâ€™t wait

Donâ€™t wait

[Hook]
