

You

Take That

Take a piece of
me and throw the rest away (throw it all away) My lips are moving but you don't hear a word I say (nothing left
to say) Everybody loves a mystery, everybody needs a reason to believe
Everybody has a history, everybody's hiding something up their
...(sleeve) sometimes life's such a drag when you don't know what you have
If I'm only a reflection on the wall, Kaleidoscope dividing
you don't know me, you don't know me at all
Play your little game, I'll look the other way (just look the
other way)
