

# Give Love A Try

Tyrese

Ohh, now you know you can't deny  
What you're feelin' inside, you want me  
And before you left my sight  
It was runnin' through my mind, I want you  
You know what you want  
And I know what you need is me, is me babe  
You felt it in your heart  
And I knew right from the start, it's love, ohh Give love a try  
Please give, give love a try  
Give love a try  
Please give, give love a try Just forget about the past  
Give me your lovin' real fast, let's do this, ayy  
If you put it in your mind  
Give my lovin' just one try, I'll love you  
You know what you want  
An' I know what you need, it's me, give love a try Give love a try  
Please give, give love a try  
Give love a try  
Please give, give love a try  
Give love a try  
Please give, give love a try  
Give love a try  
Please give, give love a try But you say no  
But I say yea  
But you say no  
But I say yea Give love a try  
Give love a try  
Give love a try  
Please give, give love a try  
Give love a try  
Please give, give love a try  
Give love a try  
Please give, give love a try
