

# Hey There Delilah

## The Baseballs

Hey there Delilah, what's it like in New York city  
I'm a thousand miles away but girl tonight you look so pretty  
Yes you do, Time Square can't shine as bright as you, I swear its true  
Hey there Delilah, don't you worry about the distance  
I'm right there if you get lonely, give this song another listen  
Close your eyes, listen to my voice it's my disguise, I'm by your side

Oh it's what you do to me, oh it's what you do to me  
Oh it's what you do to me, oh it's what you do to me, what you do to me

Hey there Delilah, I know times are getting hard  
But just believe me girl, someday I'll pay the bills with this guitar  
We'll have it good, we'll have the life we knew we would, my word is good  
Hey there Delilah, I've got so much left to say  
If every simple song I wrote to you would take your breath away  
I'd write it all, even more in love with me you'd fall, we'd have it all

Oh it's what you do to me, oh it's what you do to me  
Oh it's what you do to me, oh it's what you do to me

A thousand miles seems pretty far  
But they've got planes and trains and cars  
I'd walk to you if I had no other way  
Our friends would all make fun of us  
and we'll just laugh along because we know  
That none of them have felt this way  
Delilah I can promise you that by the time that we get through  
The world will never ever be the same and you're to blame

Hey there Delilah, you be good and don't you miss me  
Two more years and you'll be done with school  
And I'll be making history like I do, you know it's all because of you  
We can do what ever we want to  
Hey there Delilah here's to you, this one's for you

Oh it's what you do to me, oh it's what you do to me  
Oh it's what you do to me, oh it's what you do to me, what you do to me
