Man

Common Children

Someone better tell his mother
Someone better tell his sister
That her little brother
Blew his mind out in the gutterYou can't take this
You won't break this
Try and erase this
It's such a stressed out world, manSomeone better tell this system
Our greedy lives are the tools of shame
Another sleepy generation
Lost in a rage and seeking one to blameYou can't take this
You won't break this
Try and erase this
It's such a stressed out world, manWhat is man?You can't take this
(You can't take this)
You won't break this
(You won't break this)Try and erase this
(Try and erase this)
It's such a stressed out world, manWhat is man?
What is man?
What is man?
