It Don't Matter

Syleena Johnson

It don't matter you're sneakin'
It don't matter you're creepin'
It don't matter that you're cheatin'
It don't matter 'cause we're leaving
You've been acting shady
And I can't take it anymore
Say, I'm having your baby
How in the hell can you ignore?
All that I am, darlin', and all that I do for you
And I can't go on like this, so we're leaving you
Don't you dare try saying lies to me
'Cause I can see that you don't care about me and this baby
But it don't matter, oh
It don't matter you're sneakin'
It don't matter you're creepin'
It don't matter that you're cheatin'
It don't matter 'cause we're leaving
I wish you could have noticed
All the love I tried to give
Now it's too late '
'Cause you've missed out on what love really is
It's all about trust and kindness, sharing your dreams with me
But you don't take care of business or this family
You can't deny for so long, you did me wrong
But now I'm free and I can raise this child on my own
And it don't matter, yeah, oh yeah
It don't matter you're sneakin'
It don't matter you're creepin'
It don't matter that you're cheatin'
It don't matter 'cause we're leaving
It don't matter, baby, if you're acting shady, things will turn out fine
I'm leaving all this pain behind
It don't matter, baby, if you're acting shady, things will turn out fine
I'm leaving all this pain behind
'Cause it don't matter
Why did you do me wrong?
I'm going to be so strong
And have this baby on my own
'Cause we're leaving

It don't matter you're sneakin'
It don't matter you're creepin'
It don't matter that you're cheatin'
It don't matter 'cause we're leaving
