

# Down the Drain

## Lilly Wood & The Prick

Break me off, tie me down, tear me down

Make me feel like a little dog

Why don't you rape me now, when you hit me now

Make me feel like I'm nothing at all

I wait for you, wait for you to kill everything I have inside

It's true

Everything I have inside

You and me,

We're a waste, we're a waste, we're a waste

And we're going down the drain, down the drain, down the drain

We're a waste, we're just a waste, we're just a waste

And we're going down the drain
