

# With My Maker I Am One

**Eric Bibb & Habib KoitÃ©**

I am the preacher - shoutin' out the news  
I am the juke stomper - playin' the blues  
I am the Holy Roller - givin' Jesus my cares  
I am the candy man - pushin' my wares  
I am the cowboy - brandin' my steers  
I am the Cherokee brave - on the Trail Of Tears  
I am the master - whip in my hand  
I am the slave - from a distant land  
After all is said an' done - with my Maker I am One  
I am the Okie - on a dusty road  
I am the banker - with the tailor-made clothes  
I am the hobo - in a cold boxcar  
I am the railroad baron - with the long cigar  
I am the ghetto brother - 'bout to lose his lease  
I am the landlord - cuttin' of the heat  
I am the prisoner - playin' cards  
I am the warden - lokkin' out on the yard  
After all is said an' done - with my Maker I am One  
I am the doctor - savin' the sick  
I am the junkie - gravin' a fix  
I am the homeless child - on streets so mean  
I am the movie star - on the silver screen  
I am the champion - on the finish line  
I am the beggar - holdin' up the sign  
I am the rookie - tryin' to make the Hall Å'f Fame  
I am the gangster - fixin' the game  
After all is said an' done - with my Maker I am One  
After all is said an' done - with my Maker I am One
