Ooh La La

Rod Stewart

Poor old grand-dad
I laughed at all his words
I thought he was a bitter man

He spoke of women's waysThey'll trap you, then they use you

And before you even know

For love is blind and you're far too kind

Don't ever let it show I wish that I knew what I know now

When I was younger

I wish that I knew what I know now

When I was strongerThe can-can, such a pretty show

Steals your heart away

But backstage back on earth again

The dressing rooms are grayThey come on strong and it ain't too long

For they make you feel a man

But love is blind and you soon will find

You're just a boy again I wish that I knew what I know now

When I was younger

I wish that I knew what I know now

When I was strongerWhen you want her lips, you get her cheek

Makes you wonder where you are

If you want some more then she's fast asleep

Leave's you twinkling with the starsPoor young grandson

There's nothing I can say

You'll have to learn, just like me

And that's the hardest wayI wish that I knew what I know now

When I was younger

I wish that I knew what I know now

When I was strongerI wish that I knew what I know now

When I was younger

I wish that I knew what I know now

When I was strongerOoh la la

Ooh la la

Yeah yeah

Ooh la la

Ooh la la

Yeah yeah yeahOoh la la

Ooh la la

Ooh la la

Yeah yeah yeah yeah

Ooh la la
