

# I Think I Know Too Much

## Aceyalone

\* send corrections to the typist I was born into the goodness, graciousness of all mighty god  
faced with temptations, lies, emphasize war, weapons of destruction, mayhem

slaughter of the people, satan

worldly ways, godly ways, holidays, sorrow

no one is guaranteed tomorrow, yesterday was borrowed

picture perfect sunsets, ocean front

toxic waste dump, smog, clogged arteries

lotteries, rechargeable batteries

flattery, vanity, stars

jet propelled cars, men behind bars

murder, justice destruction

cats that quit, setupsevidence, identity, plus agility

politics, revenge

natural ability, idolatry, and chemistry fear, friendship, enemies and energy

heat, humidities, crimes against humanityescarry these, harmonies, melodies and galaxies

trinities, remedies and memories are fallaciesI think I know too much! you don't know shit! I think I know too  
much! you don't know shit!

I was born into the purest perfection of love of all mighty god

faced with the sword of the truth like a lightning rod city, states, countries and all abroad

spacecraft all aboard

convoy are destroyed

books, tv, radio and telephone

records, phonographs, speakers and microphones dance, cultural expression

unity, neighborhood community youth and the elderly

parties, battles, skills and graffiti art

determination, reputation, strong and the weak at heart gods, gangsters, griots and gigolos

kings, queens, bitches and silly hoes

money, cars, clothes and diamond rings

houses, horses, stock, the finer things

food, family, future, a purpose

knowledge, wisdom, understanding this circus

time, travel, audio and visual

creative adaptive, lonely individual

one nation under a groove, indivisible

mind, soul, spirit and the physical I think I know too much! you don't know shit!

I think I know too much! you don't know shit!
