

# Let Go Tonight

[Sandro Silva](#)

I look around at the world  
And the world looks back at me  
There's millions of faces  
But I'm only seeing one thing  
Oh I think it's day but I  
Get lost in everything  
Maybe this is just for one night  
What do you think?  
Is it the love that keeps us here?  
Or is it the way that we move?

Maybe it's both but we don't care  
Just let it go, tonight

Hold me close and don't let go  
I could be yours, you be mine  
And we can forget the world  
And let go tonight, tonight, tonight,  
Let go tonight, tonight, tonight, tonight
