

# Grandmother

## G. Love & Special Sauce

[Chorus: ]  
Grandmother  
I know you've seen it all  
Grandmother  
I know you've seen it all I ain't nothing like the taste  
Of a sweet, sweet blueberry pie  
Tears are falling from my eyes  
Wipe 'em away child  
Don't you cry [Chorus: ] Jars for the tadpoles and frogs from lake  
Mind your manners, at the table  
Won't you wash up for heaven's sake And I know that you're gone  
But I feel I can read in my mind  
And I know I was lost  
But then surly you showed me a sign Show me, show me  
Show me, show me  
Show me, show me  
A sign [Chorus: ] And if you skinned your knee  
Sit down by the fireside bright  
Hold your grandma's loving hands  
Everything going to be alright And I know that you're gone  
But I feel I can read in my mind  
And I know I was lost  
But then surly you showed me a sign Show me, show me  
Show me, show me  
Show me, show me  
A sign [Chorus: ]
