

Cock In My Pocket

Iggy Pop

I got my cock in my pocket
And I'm reelin'
Down the old highway
I got my cock in my pocket
And I'm reelin'
Down the old highway
I'm gonna whip it on you honey
Taste your blood today
I got my cock in my pocket
And it's shovin' up through my pants
I got my cock in my pocket
And it's shovin' up through my pants
I just wanna fuck
This ain't no romance
I got my cock in my pocket
