

# Jesus Is Just Alright (reprise)

## Dc Talk

Jesus is still alright with me  
Jesus is still alright, oh yeah  
Jesus is still alright with me  
Jesus is still alright, yeah  
Toby Mac and the Mac is back no slack  
On a DC track that's jacked  
Beyond comprehension  
I believe that I failed to mention that  
There's a lack of recognition  
When it comes to His position  
'Cause if Christ can't be crossed over  
Then I'll keep my beat up Nova  
Jesus is still alright with me  
Jesus is still alright, oh yeah  
Jesus is still alright with me  
Jesus is still alright, yeah  
I don't care what they may say  
I don't care what they may do  
I don't care what they may say  
Jesus is still alright, He's alright with me ya  
Back in place, and I'm all up in your face  
With a rhyme that I embrace  
Like a mother to her child  
I'm kickin' it Jesus style  
To the ones that think they heard  
I did use the "J" word  
'Cause I ain't too soft to say it  
Even if DJ's don't play it  
Do do do dupe dupe dupe do do  
Do do do dupe dupe dupe do do  
Do do do dupe dupe dupe do do  
Jesus is still alright  
Oh, I'm hopin' and I'm praying  
Jesus is still alright  
Jesus is still alright, oh yeah  
Jesus is still alright  
Jesus is still alright, yeah  
Jesus don't ya know, He's my friend  
And I said Jesus, He is my friend

He took me by the hand  
[Inaudible] land  
Jesus, He's my friend  
I'm down with the one that is known as the Son  
Of the G to the O to the D never done  
With the flow, in the know, on the go like a pro  
Not for show 'cause I ain't in the biz for the dough  
Or the me, or the ray, all the dough's gotta stay  
'Cause I can't, no I can't, take it home anyway  
Never trite when I write 'cause the Lord is my light  
And His Word is my bond so ya know, know, know He's alright  
Jesus is still alright with me  
Jesus is still alright, oh yeah  
Jesus is still alright with me  
Jesus is still alright  
And I don't care what they may say  
I don't care what they may do  
I don't care what they may say  
Jesus is still alright  
Do do do dupe dupe dupe do do  
Do do do dupe dupe dupe do do  
Do do do dupe dupe dupe do do  
Jesus is still alright  
He's alright
