Ye without sin, cast the first stone-on-onn .. cast the first stoneverse 1:
Sinking, deep in sin, my past buried within, crying all night long, wondering what was wrong
Heard my, secrets, about myy life, judged me, yes she judged me straight to hellll
Chorus:
He without sin, cast the first stone, stone, stoneee, cast the first stone
(He without) he without sin, cast the first stone (yea,(stone) yes you did)stone stone stoneVerse 2:
Be careful who you judge cause your words can destroy, change your heart and never love again
Let God, be the one, to say if it was done, because no one in man is perfeeectChorus:
He without sin, cast the first stone, stone, stonee , cast the first stone
he without sin, cast the first stone stone stone stone stone
Cast the first stone
Cast the first stooone
Be careful who you judge
Be careful who you judge
Be careful who you judge
He without sin, cast the first stone stone(on) stone(on) , cast the first stone
(He without) he without sin, cast the first stone stone stone stone stone
We are the saints
Yes we are the saints
We are the saints
