Wrapped In Sky

Drivin' N' Cryin'

I'm wrapped in sky I've come alive
I'm wrapped in song with the message strong
I'm wrapped in pacts of wolves and tax
He was wrapped in hope but in the end he couldn't copeI'm wrapped in love from the angel dove
I'm wrapped in doors one by one they close
I'm wrapped in truth disguised as you
I'm wrapped in sky
Lady I have come aliveWoman
See me
LadyI'm wrapped in sky I've come alive
I'm wrapped in sky I shun the light
I'm wrapped in sky I've come alive
Take my lucky stars
(Take my lucky stars)
Take my lucky stars
(Take my lucky stars)
Take my lucky stars(Talking and Solo....)I'm wrapped in jazz from a downtown bar
I'm wrapped in blood as the world confronts
I'm wrapped in smoke as I tried to cope
I'm wrapped in friends that understand the other sideWoman
See me
LadyI'm wrapped in sky I've come alive
I'm wrapped in sky I shun the light
I'm wrapped in sky I've come alive
Take my lucky stars
Well, take my lucky stars
Take my lucky stars
Take my lucky stars!(Talking....)I'm wrapped in sky I've come alive
I'm wrapped in sky I shun the light
I'm wrapped in sky I've come alive
Take my lucky stars
Take my lucky stars
Take my lucky stars
