

Wanna Get Closer

[Erja Lyytinen](#)

I don't know you.
But I know your name.I know about your girlfriend.
But it's all the same.You don't know me.
But you know my name.You know about my boyfriend.
But it's all the same.I wanna get closer to you.
Push my body right next to you.
Take my clothes off with you,
and feel the break of love.I wanna get closer to you.
Push my body right next to you.
Take my clothes off with you,
and feel the break of love.Every little look from you makes me go trodeloo.
Every little look from you makes me go trodeloo.'cause...I wanna get closer to you.
Push my body right next to you.
Take my clothes off with you,
and feel the break of love.
