Man Of Two Minds

The Trews

Trying to build a bridge across my hearts divide
Caught between two opposite signs
I want it all and I can?t decide
If I should leave you here or stay with you a while[Chorus]
I love you I love her
I need you I need her
I'm always gonna love you
I'm always gonna love her
I guess I should just let this thing die
Cause I am a man of two mindsStanding all alone by the river side
Running out of reasons I can justify
What kind of man am I?
Who can tell a lie and look you in the eye, yeah[Chorus]Not much to say
No alibi
For my selfish fear
And foolish pride[Chorus]
